

# *Patchwork Cutters*

**Christmas Decorations with  
our 'Cupcakes' Set**

# You Will Need...

- i Our 'Cupcakes' Cutter Set**
- i A small star cutter** (such as in our Angel Set)
- Non-Stick Work Board**
- Non-Stick Rolling Pin**
- Vegetable Shortening (Trex/Crisco)**
- Water (for sticking) or edible glue**
- i Isopropyl Alcohol**
- No.3 Paint Brush**
- Small Palette Knife**
- Dresden Tool**
- Piping Nozzle**
- Food Colouring Pens: Brown & Red**

- i Flower Paste:**  
**White, Yellow, Green, Red,**  
**Lilac (or a colour of your choice)**

**Dust Colours:**  
**Green, Red, Coffee/Brown, Gold/Yellow,**  
**Lilac (or a colour**  
**of your choice)**

**1**  
On a lightly greased non-stick board  
roll out White flower paste and cut  
out the cupcake with a swirl top

**2**  
Mix alcohol with green  
dust colour and paint the  
top of the cupcake

**3**  
Mix alcohol and your chosen  
dust colour and paint the  
bottom half of the cupcake

# Cupcake Tree

**4**  
Mix red dust colour with alcohol and  
paint small dots onto the tree. Cut  
out a small yellow star and attach to  
the top of the tree with a little water

# Cupcake Poinsettia

**On a lightly greased non-stick board roll out white flower paste and cut out the cupcake design with the icing on top**

**2**

**Mix red dust colour with alcohol and paint the case of the cupcake**

**Mix coffee colour dust and alcohol and paint the cake section above the red.**

**3**

**Paint small dots onto the white top**

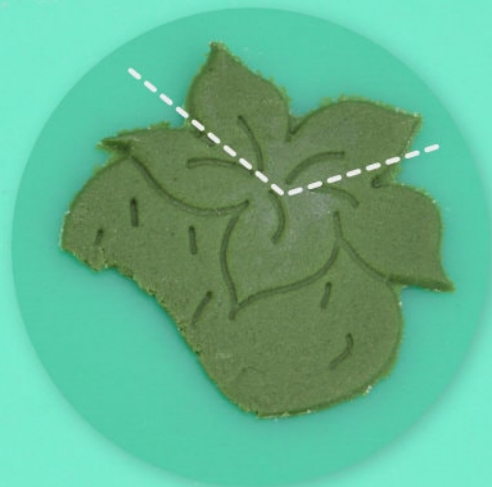

i

4

**Roll out green flower paste  
and use the large  
strawberry cutter from the  
pack to cut a calyx**

5

**Remove two leaves from the calyx....**

6

**...and attach onto  
the top of the  
cake with some  
water**

*i*

7

**Roll out red flower paste and cut out a small strawberry.  
Remove the calyx from the fruit**

**Attach between the  
leaves with some water**

8

**Mix gold dust colour with the alcohol and  
paint a small dot onto the centre of the flower**

9

1

*i*

# Cupcake Snowman

**On a lightly greased non-stick board roll out white flower paste, cut out the plain cupcake design**

2

**Use the narrow end of a dresden tool to mark the arms onto the body of the snowman**

**3**  
Roll out white  
flowerpaste and  
use the large end  
of a piping nozzle  
to cut out a circle

**Cut a small section  
from the top**

**4**  
Moisten the  
larger part with  
water and place  
onto the body

**5**  
Use food colouring  
pens to paint the  
face and buttons

**To make a hat cut a circle of paste in your chosen colour,  
cut into two pieces (one slightly larger) and stick onto  
the snowmans head with water**

**6**

**7**

**Cut a small strip of paste and attach across the hat, mark the texture with a knife and add a bobble**

**8**

**Mix two dust colours with alcohol and paint alternate stripes onto the cupcake case**

**Ideal to decorate small chocolates & cakes.  
After dinner chocolates  
are a perfect size!**
